

Whitney Jorgensen

Whitney Jorgensen is a recent graduate of the Masters in Real Estate (MSRE) program at University of San Diego and a commercial real estate professional with 7+ years of experience. She has managed Class A office buildings in San Francisco, California for both institutional investors as well as owner operators.

While in graduate school, Whitney had the opportunity to attend the MIPIM conference in Cannes, France as an official blogger and has contributed several articles for Global Real Estate Experts online portal.

Whitney holds a California Real Estate License as well as a LEED Green Associate designation. She currently lives in San Diego and graduated from the University of Arizona with a degree in Regional Development.
